Information Given or Action Taken

STATOTHR

[REDACTED] stated that the viewer is packaged and ready for shipping to NPTC. The manual should be ready, but he is not sure. He made a request that [REDACTED] be called to determine if all of the required instrument components have been packaged and to compile a list of the parcels.

It is proposed that this information be obtained on 4 Feb 64 after coordination with [REDACTED] of Logistics and [REDACTED] of P&DS.
